

Feast Day Celebration 2021

The Feast Day is celebrated annually on 8th December. This year, the Feast of Mary Immaculate, the patroness of our school, was celebrated on 11th December 2021. All the sisters of the convent along with the school teaching staff and non-teaching staff were present at the celebration.

The day commenced with a Prayer Service. Everyone invoked the blessings of Mother Mary, the patroness of this institution and the protectress of every soul associated with the institution. This was followed by a reading from the Holy Bible. Melodious hymns were sung which made the occasion meaningful.

All the sisters of the convent and the staff congregated at the school ground for a sumptuous lunch. The feast strengthened the bond and companionship of the entire Nirmala family.
